5114. SHRI VEN DHAMMAVIRIYO: Will the Minister of HUMAN RESOURCE DEVELOPMENT be pleased to state:

(a) whether Dr. Ambedkar Birth Centenary Celebrations Committee, headed by the Prime Minister, had recommended for ensuring admission of students from SC/ST communities to the fullest extent of the quota of seats reserved for these communities in the year 1993;

(d) the number of students from SC/ST communities among them and their percentage as compared to the total seats?

THE MINISTER OF STATE IN THE MINISTRY OF HUMAN RESOURCE DEVELOPMENT (SHRI JAYSINGRAO GAIKWAD PATIL): (a) to (d) Dr. Ambedkar Birth Centenary Celebrations Committee has recommended admission of students from SC/ST community as per the quota reserved for them. IITs and IIMs, which are Central Technical Institutes, are governed by the reservation policy of the Government of India. In IITs/IIMs, relaxed cut off marks are maintained to draw up merit list for admissions of SC/ST candidates. Sufficient number of qualified candidates was however not available resulting in shortfall in filling up of the required quota. The percentage of actual admissions of SC/ST candidates vary widely in different institutes, course and in different years. To overcome the problem, IITs have started preparatory courses for admissions to Under Graduate level programmes for SC/ST candidates.
